WORK EXPERIENCE

03/2023 – CURRENTLY – Vienna, Austria
UX/UI Designer
RNDM design studio

2020 – 2023 – Barcelona, Spain
Accompanying children with diabetes
Associació de Diabetis de Catalunya
I accompany children with diabetes on school and school trips to help them manage their blood sugar levels. I also supervise them during playtimes.

04/2022 – 04/2022 – Barcelona, Spain
Leisure Activities Instructor
7 i Tria
Provide leisure activities for children when the parents or family members are unavailable. Look after the children's basic and health needs and help or supervise them during play and even suggest games and activities.

03/2022 – 04/2022 – Barcelona, Spain
University tour guide
Elisava, Design and Engineering School
Assist individuals or groups on university tours in order to share what this institution can offer. Provide information and guidance.

10/2021 – 11/2021 – Barcelona, Spain
Sustainable Challenge: Industrial Symbiosis: A Booster to Circular Fashion.
Disseny Hub Barcelona
Participation in a multidisciplinary challenge to design products or services for the fashion sector. It was part of the Barcelona and Manchester Design Week and culminated with an exhibition of the results at Disseny Hub Barcelona.

07/2021 – 07/2021 – Barcelona, Spain
Leisure Activities Instructor
Fundació Pere Tarrés
My role was to stimulate leisure activities and supervise play for children, taking care of their basic needs and being able to manage any conflicts or unforeseen events that might arise.

06/2021 – 12/2021 – Barcelona, Spain
Leisure Activities Instructor in English
Institució Cultural del CIC
I was in charge of teaching children a language that is not their mother tongue through play and reading. That's why it was necessary to organise the classes using a variety of teaching materials, working interactively with the group.

04/2021 – 06/2021 – Barcelona, Spain
Innovation lab
Iberboard
Research and development of uses for a new material.

02/2021 – 03/2021 – Barcelona, Spain
Global Design Studio
Melbourne Design Week & Barcelona Design Week
Participation in a multidisciplinary workshop with students from London and Melbourne that resulted in a "Cookbook for planet Health", which was exhibited at the Melbourne Design Week and Barcelona Design Week.

01/2021 – 04/2021 – Barcelona, Spain
Graphic and UX-UI designer
Urbaser
Investigation and research through and for design. Design an app to be used during the working hours. Communicate through a video the change of name and logo of an internal project.

09/2020 – 11/2020 – Barcelona, Spain
Designer
Ajuntament de Barcelona | Barcelona Activa
Research and design a campaign and some products to give visibility to the neighborhood commerce.

02/2020 – Barcelona, Spain
HackTheLightUP
Protopixel
Participacion in a design and lights hackaton during the Festival de Llum de Barcelona.

09/2017 – 06/2021 – Barcelona, Spain
Learning support mentor
Escola Frederic Mistral - Tècnic Eulàlia
I provided academic support to students after school in order to increase their academic success. I developed timetables and action plans together in order to plan the necessary activities and monitor progress. I communicated with the students' teachers and families in order to improve the students' educational development.
